

# Primary 1 Family Learning Board

FEBRUARY

Tasks with a star (\*) should always be completed. Please select from the choices below to decide what additional home learning tasks you would like your child to take part in.

Please take a photograph of completed tasks and upload to Seesaw.

Literacy	Numeracy	Health and Wellbeing	Across the Curriculum
<p>*Complete your weekly sound task on Seesaw.</p> 	<p>*Complete your numeracy task on Seesaw.</p> 	<p>Enjoy some Superhero Yoga. Put on a costume and join in using the link.</p> <p><a href="#">Superhero Yoga</a></p> 	<p>Make a Valentines card for someone you love.</p> 
<p>*Practise to read and write your words from your word wall and key word cards.</p> 	<p>Can you measure items in your house using non-standard units. For example how many spoons long is your biggest teddy? How many pencils long is your table?</p> 	<p>Find a quiet spot and listen and watch for birds. What do you hear? What birds do you see?</p> 	<p>Build a junk model of a vehicle.</p> 
<p>*Practice reading and talking about your reading book with someone at home. Use your reading buddy password to access your book.</p> 	<p>Play Blast off to help with number recognition and numbers before and after.</p> <p><a href="#">Blast off!</a></p> 	<p>Make pancakes with your family on Shrove Tuesday 17<sup>th</sup> February</p> <p>What is your favourite topping?</p> 	<p>Try Star Gazing. Pick a clear night and see if you can spot any planets or stars. Watch the video to help you learn about the stars.</p> <p><a href="#">star gazing - join the dots</a></p>
